

About VIP-SERVICES-PARIS

The company is set apart from others by its commitment to providing the highest quality of services to both clients and candidates.

VIP SERVICES PARIS provides selective Household and Residential Staff: Property Managers, PA, Domestic Couples, Caretakers, Nannies and Elderly care.

We pride ourselves on having the very best candidates for domestic, hospitality and corporate roles through our **excellent hiring consultant**, who has a wealth of experience and whose discretion and dedication is impeccable and committed to our service ethic, ready to provide advice and guidance on staffing your household or business and in connection with the French legislation.

Personalized

As it is a **personalized tailored service**, we are always happy to meet you and discuss your requirements and provide assistance when needed and as quickly as possible.

Theresa created **VIP SERVICES PARIS** in 1994, after working as an Executive Assistant with several high profile clients and dignitaries with International reach. Theresa, an expatriate herself, identified the urgent need for a **recruitment process** that offered genuine services, value for money while providing high quality staff, matching personality as well as skills with core values such as loyalty, discretion, honesty to ensure the best services to clients in their private homes.

Theresa, a positive team player, a stickler for details with an adaptable and flexible approach to work.

Her motive is to serve with passion and ego, having a sunny disposition and assist when needed.
